To
The Electrical Engineer to
Government, P.W.D.,
B O M B A Y.

Subject: Grant of Power connection.
Ref: Your letter L.R.M. 11/73 of 29-9-51.

Sir,

I regret to inform you that I have received no communication from you in the above connection though it is a month since you wrote to me in reply to my appeal of 25th September, 1951.

It is, therefore requested that you would take early steps to cancel the grant of power to Shri. Kolekar and assign it to me as it is crystal-clear that illegal favouritism has been shown to Shri. Kolekar for gratification received.

When there is clear proof, from the correspondence, I see no reason why you should hesitate to crush nepotism and favouritism of the Deputy Engineer. Your hesitation to take proper steps against it, means that you admit the charges made against the Dy. Engineer. I doubt that the clerical staff is also responsible for this corruption which you can detect through C.I.D.

Soliciting an early disposal, and favourable orders of cancelling Mr. Kolekar's connection and granting same to me.

Yours faithfully.
